INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

[REDACTED]

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

AFFIDAVIT.

County of Greene.)

In the matter of the claim of
Marvella O. Thark et al
for participation in fund appropriated
by Congress June 30, 1906, for Eastern
and Emigrant Cherokee Indians and their
descendants.

On this 11th day of Aug A. D. 1906, personally appeared
before me, Orville E. Gorman, a Notary Public in and for said County,
duly authorized to administer oaths, James Harralson, aged 30 years,
a resident of Webb City, Jasper County, Missouri, well known to be re-
putable and entitled to credit, who being by me duly sworn on his oath,
declared and saith in relation to said case as follows:

I was well acquainted with Alexander Brown in his life time.
He came from McMinn or Monroe County, Tennessee, and located and settled
near what is now known as Brighton, Polk County, Missouri, on or about
the year of 1836 or 1837. He came to said Polk County two or three
years before his death. The said Alexander Brown, when I first knew
him, lived in Tennessee. I have heard that he came to Tennessee from
Georgia. He lived about a mile from where my father lived in Tennessee.
I knew said Alexander Brown from the time I was old enough to remember
any one until his death. He visited my father and my father visited him
quite often. His family and my father's family visited back and forth
quite often. His children and my father's children played together
often and the two families were intimately acquainted with each other.
I have a very clear and distinct recollection of hearing the said Alex-
ander Brown say that he was registered or that his name was on the roll
of Cherokee Indians prior to his leaving Tennessee, and I have heard
him tell this both before he left Tennessee and after he came to Missouri.
I came to Missouri soon after Alexander Brown left Tennessee, and I saw
him and was intimately acquainted with him both in Missouri and in Tenn-
essee. The said Alexander Brown was a tall broad shouldered man, rather
slim, high cheek bones, dark complexion with black hair and eyes. He
said his children were generally known and recognized and reputed to be
part Cherokee Indian. They had the appearance of being part Indian.
I have heard Alexander Brown and also his children say that he was a
half blood Cherokee Indian and they always claimed to be of Cherokee
blood.

Said Alexander Brown's remains were buried at the Brock
grave yard near Brighton in Polk County, Missouri. It was the general
talk among the children and neighbors of said Alexander Brown that he was
a half blood Cherokee Indian and that his name was on the roll of Cherokee
Indians. I recollect that he was called by the Indian nick name of
"Swanee." When he left Tennessee and came West he was accompanied by a
number of families.

Said Alexander Brown was the father of the following named
children: Thomas Brown, Isaac Brown, John Brown, Zach. Brown, Sarah
(Brown) Harbelton, who was also called "Sally", Dicie (Brown) Fender,
Elizabeth (Brown) Ruth, Susan (Brown) Proctor, Annis (Brown) Pace and
Violet (Brown) Ruth. Said Dicie (Brown) Fender was the mother of Michael A. Fender who
is the father of Marvella O. Fender who married John Thark and who is about 50 years of
age and resides near Brighton Polk County Missouri. I personally knew above named parties
and am not interested or concerned in this case or its prosecution.

On this 7th day of August A. D. 1906, personally appeared before me Orville E. Gorman, a Notary Public, in and for the aforesaid county, duly authorized to administer oaths, Russell Stokes, aged 86 years, a resident of Springfield, Greene County, Missouri, whose post office address is #2130 Taylor Street, in Springfield, Greene County, Missouri, well known to be reputable and entitled to credit, and who, being duly sworn declared in relation to aforesaid case as follows:

I was well acquainted with Alexander Brown during his life time, from and after the time he came to Polk County, Missouri, which was about the year of 1835 or 1836, until his death, which occurred about the year 1837 or 1838. Said Alexander Brown located and settled near what is now known as Brighton, Polk County, Missouri, and lived there continuously from the time he came to Missouri until his death. His remains were buried near Brighton, Polk County, Missouri, at what is now called the Brock Grave Yard. During the time above mentioned, the said Alexander Brown and I lived in the same settlement as neighbors. We saw each other and were together quite often. We fished together and had many conversations together and became intimately acquainted.

The said Alexander Brown told me that he was a Cherokee Indian--my recollection is that he said he was a half blood Cherokee and that he came to Missouri from Tennessee. He was recognized and reputed by all who knew him to be a Cherokee Indian. He told me that he had his papers showing his Indian rights, and that his name was on the roll of Cherokee Indians. The said Alexander Brown has always claimed to be a half blood Cherokee Indian, and all his children claimed to be part Indian and were recognized and reputed to be such by all who knew them.

Alexander Brown aforesaid was a very tall man, broad shouldered, rather slim with dark hair and eyes and of dark complexion.

I have no interest in said case and am not concerned in its prosecution.

Said Alexander Brown had the following named children: Sally (Brown) Hambelton, Dicie (Brown) Fender, Isom Brown, Violet (Brown) Ruth, John Brown, Elizabeth (Brown) Ruth, Thomas Brown, Susan (Brown) Proctor, Zach. Brown, and Annis (Brown) Pace. *Said Dicie (Brown) Fender was the mother of Michael A Fender who is the father of Marrilla O Fender who married John Sharp and who now resides near Brighton Polk County Missouri. Said Marrilla O Sharp is about 60 years of age.*

I personally knew all of above named parties.

In the matter of the claim of
Marnella O. Thrash et al for par-
ticipation in fund appropriated by Congress
June 30, 1906, to Eastern and Emigrant
Cherokee Indians and their descendants.

On this 16th day of Aug A. D. 1906, personally appeared
before me, Orville E. Gorman, a Notary Public in and for the afore-
said County, duly authorized to administer oaths, Michael A. Fender,
aged 77 years, a resident of Polk County, Missouri, whose post office
address is Brighton, Polk County, Missouri, well known to be reputable
and entitled to credit, and who, being duly sworn declared in relation
to aforesaid case as follows:

I was well acquainted with Alexander Brown in his life time.
He was my Grandfather. He came from Madison County, Tennessee, where
he lived when I first knew him. He lived about four or five miles
from my father's residence in Tennessee. I can remember his being at
my father's house a number of times. His family and my father's
family were intimately acquainted, and when he left Tennessee and came
to Missouri, there were about six families come together including
my father's family and Alexander Brown's-. Said families were all
related to each other. We left Tennessee in the fall of 1855, came
to a place in Illinois fifteen or eighteen miles east of St. Louis
and stooed there over the winter, and in the Spring came on to what
is now known as Brighton, Polk County, Missouri, arriving there May 10,
1856. I was with them during the whole journey to Missouri from
Tennessee. I have often heard my mother, who is a daughter of said
Alexander Brown, and my Uncles and Aunts say that said Alexander
Brown was a half blood Cherokee Indian. Also, I have heard them say
many times that said Alexander Brown was enrolled as a Cherokee Indian
on the roll of 1855. He was a tall man, dark complexion with black
hair and eyes. He has always been talked about and known as a half
blood Cherokee. He died in 1888. I was at his funeral-the first person
I ever saw buried. He was buried at Brock Grave Yard near Brighton,
Polk County, Missouri.

Said Alexander Brown had the following named children, viz:
Sarah Brown, generally called "Sally", who married Elijah Hembelton,
Annis Brown, who married Robert Pass, Bicie Brown, who married Daniel
Fender, Violet Brown, who married Klevon Ruth, Susan Brown, who married
Nomas Prester, Klizabeth Brown, who married Hugh Ruth, Thomas Brown,
Isom Brown, Eschariah Brown and John Brown.

I am interested in the prosecution of this case as I am one
of the claimants. Said Michael A. Fender was the brother of
Michael A. Fender this affiant was the father of Marnella O. Fender
who married John E. Thrash. said Marnella O. Thrash is about 50 years old
and is the mother of the following children viz: Emory Floyd Thrash aged 24
year, Ada Myrtle Thrash who married Benjamin Lusk whose age is 20 years,
Charles Lee Thrash aged 14, and Annie Allie Thrash aged 12, and who
now reside near Brighton Polk County Missouri & personally know all of above
names parties.

Sir:-

Replying to your letter of September 1, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at the present time whether or not you are entitled to share in this fund or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

No. 2750

August 3, 1907.

Mrs. Davie M. Jones,

Tulsa,

Indian Territory.

Madam:-

Replying to your letter of July 22, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, you are advised that the applications have not been taken up for final consideration as the Court in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If you have any minor children you should fill out the inclosed supplemental application blank and return to this office.

Very respectfully,

Special Commissioner.

Mrs Belva A Lockwood
Washington, D. C.

dear Madam you will doubtless
be ast why the decendants of
Annie B. Lythe is not on all rolls
and as you have not been informed
I will endeavor to tell you at that
time Indians you know was
in their crudest state and I
met a party of them yesterday
that was almost as ignorant as
I think they was 75 years ago
and they dearly loved their
native hills and rustic ^{homes} ~~their~~
chief and council treated their
loved country away contrary

2
To their wishes and they was
hunted down and dinen at the
point of the Bayonet To this
wild sickly county many of them
died of fatigue and fight and
trouble the thought the soldier
was only taken them of to kill
them all fled and hid them
slus in the caverns preferring
to starve in this lones mountains
and the white people was often
telling the little remnant that
remained that the soldiers was
coming back after them and
for this reason many of them
would not meet an enrolling
and be enrolled and also

5
The Laws of N.C did not
allow them this oath or note
or any part in the free schools
they was put just on a level
with the Negroe who was
at that time Slaves but not
withstanding all this Mother
Parker wished her self and
children enrolled and so did
cousin Mary Ann Hampton
and others but Father Parker
and Uncle Hampton for
the reasons above stated
would not let this family
be enrolled during their
lives but the first opportunity
after Father Parker's death

Mother Parker had her self
and family enrolled on what
they think was called the
Hester roll ^{of 1868} which was after
rejected so they say and she
died thinking her self and
family was on the rolls although
there are others here who know
this statement to be true
besides J P Parker and H H
Hampton and they will send
affidavits to that effect if
you desire it

J P Parker is not
able to attend the case at Muskogee
neither is Harry Hampton but
W A Parker will come

Yours truly

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

Sir:

Replying to your letter of recent date relative to the Eastern Cherokee enrollment, you are advised that since filing my report of May 28, 1909, with the Court of Claims, the matter has passed entirely beyond my control.

My report sets forth why, in my opinion, the claims admitted should be admitted and those rejected should be rejected. The matter now rests with the Court and the only way that my decision can be reviewed is by filing exceptions in accordance with the order of the Court of June 10, 1909.

No blank forms will be furnished for the filing of these exceptions.

Under the order of the Court of Claims of April 29, 1907, it was necessary for claimants to file an application prior to August 31, 1907, and to prove that they were Eastern Cherokee Indians by blood, descended from Indians who were recognized parties to the Treaties of 1835-6, and 1846, and to further prove that they were not Old Settler Cherokees, and that they, or their immediate ancestors, had not since the Treaty of 1846 affiliated with any tribe or band of Indians other than the Cherokee Nation.

The application about which inquiry is made in your letter was rejected because the claimant failed to bring himself within these requirements.

Very respectfully,

GUION MILLER,

Special Commissioner.

App. #2264.

P. G. Hyatt,

Georgia.

Sir:

Replying to your letter of January 20, 1910, in which you state that George W. Goble is now deceased, you are advised that he was enrolled with his four minor children for participation in the Eastern Cherokee Fund.

The amount due the minor children will probably be paid to the mother, or person having the care and custody of the children.

I am unable to state, at this time, just when the fund will be distributed but it will probably be some little time yet.

Very respectfully,

Special Commissioner.

Appl. No. 11999

Sir;

In reply to yours of February, 13, 1908, I beg to reply as follows concerning my application of Eastern Cherokee Emigrant money. My grandfather on my father's side was named Eh_der_he in Indian and Walker in English and my grandmother on father's side, was named Tee_ni_ye Goback at time of her death. I think they were either in North Carolina or Georgia in 1834-35 and came west with ~~many~~ other Eastern Cherokees in 1838. My grandfather on my mother's side was named Obediah Lecust and in Cherokee was called De_sur_ne_he, which means feeling. My grandmother on my mother's side was named Susie Lecust. I think Obediah Lecust and his wife came west in 1872 or thereabouts and came from North Carolina I think. Jennie Cernsilk is an aunt of mine on father's side and her P.O. Address is Stilwell, Okla. Julia Walker was another aunt on same side. My father's name was Richard Walker and my mother was named War_lin_ne Walker. Look up the application of my aunt Jennie Cernsilk and that may help you out some. *She is a number of years older than I am and knows more about my people,*

Yours "respectfully,

Henry Walker.

Sir:-

Last winter, about January first, I sent application for Eastern Cherokee money for my children giving names of the minors and adults. My daughter, Ola M. Donaldson, received a card acknowledging receipt of application, the card giving her number as 2286. I myself, however, received no notification and I am uncertain whether or not my two minor children will be enrolled under that application. The daughter who received the card was of age at that time, but did not make separate application.

I therefore respectfully ask to be advised if it will be necessary at this time to make application for the two minors, and if it will be necessary for Ola M. Donaldson to file one of the new forms.

The mother of these children, my wife, was the Eastern Cherokee and is dead. I am an intermarried citizen.

Please advise fully.

Very respectfully,

William H. Donaldson

Frank Sullivan,

Sir:-

Your letter of June 24, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, is at hand.

You are advised that these applications have not been given special consideration as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith, inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 27,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further proof required in connection with your claim you will be duly notified.

Very respectfully,

NLC.

My name is Dirt Thrower Vann. My age is about 64 years. I was born in Flint District. I am some relation but do not know just what it is. George Proctor is about 36 years old. He is a Cherokee Indian. He is a full-blood. He was enrolled by the Dawes Commission, Cherokee Roll #32287. He got the strip payment. His father's name-Isaac Blue Eyes. A-see-gee in Cherokee. He is dead; he would be somewhere in 60's if living. He was enrolled in 1851 and drew money from the Government. Emigrant money. He was born in this country. That was all the name I can recollect. Isaac's father's name was Blue Eyes. Betsey Blue Eyes was my grandmother. Isaac lived in Sequoyah and in Flint District. They were born in the Eastern States and came out here. They came here before 1851 and got Emigrant money. Isaac had an older brother Un-stah-wah, or Big Mush. I don't know that any of them were enrolled under the name of Blue Eye. Un-sta-quah or Big Mush lived in Flint District. He lived on the line of Sequoyah and Flint. Dicey was a sister; Lidia or Lid-dy and Sallie, also were sisters. Geo. Blue Eye might have been enrolled as George Proctor. (420 Flint).

Ah-ne or An-nee or Ah-nih, was George Proctor's mother. She lived in Flint District. Her mother's name was Wa-key Chu-las-kee. She had a sister named A-key, and a brother named E-law-wee. Wakey Choo-las-key or Peggy Chu-las-kee. She lived in Sequoyah and Flint Districts. Wakey had a sister named Ah-na-wa-kee. She had a brother Oo-stih-lih, or Oo-stih-lee. His grandfather on mother's side was E-lau- Choo-los-kee. They were not Old Settlers. They never associated with any other tribe but his grandfather went to California and stayed awhile.

In the matter of the claim of Flara M Tuck et al for participation in fund appropriated by Congress June 30, 1866, for Eastern and Migrant Cherokee Indians and their descendants.

On this 11th day of August A. D. 1906, personally appeared before me, Orville E. Gorman, a Notary Public in and for said County, duly authorized to administer oaths, James Harralson, aged 30 years, a resident of Webb City, Jasper County, Missouri, well known to be reputable and entitled to credit, who being by me duly sworn on his oath, declared and saith in relation to said case as follows:

I was well acquainted with Alexander Brown in his life time. He came from McMinn or Monroe County, Tennessee, and located and settled near what is now known as Brighton, Polk County, Missouri, on or about the year of 1836 or 1837. He came to said Polk County two or three years before his death. The said Alexander Brown, when I first knew him, lived in Tennessee. I have heard that he came to Tennessee from Georgia. He lived about a mile from where my father lived in Tennessee. I knew said Alexander Brown from the time I was old enough to remember any one until his death. He visited my father and my father visited him quite often. His family and my father's family visited back and forth quite often. His children and my father's children played together often and the two families were intimately acquainted with each other. I have a very clear and distinct recollection of hearing the said Alexander Brown say that he was registered or that his name was on the roll of Cherokee Indians prior to his leaving Tennessee, and I have heard him tell this both before he left Tennessee and after he came to Missouri. I came to Missouri soon after Alexander Brown left Tennessee, and I saw him and was intimately acquainted with him both in Missouri and in Tennessee. The said Alexander Brown was a tall broad shouldered man, rather slim, high cheek bones, dark complexion with black hair and eyes. He said his children were generally known and recognized and reputed to be part Cherokee Indian. They had the appearance of being part Indian. I have heard Alexander Brown and also his children say that he was a half blood Cherokee Indian and they always claimed to be of Cherokee blood.

Said Alexander Brown's remains were buried at the Brock Grave Yard near Brighton, in Polk County, Missouri. It was the general talk among the children and neighbors of said Alexander Brown that he was a half blood Cherokee Indian and that his name was on the roll of Cherokee Indians. I recollect that he was called by the Indian nick name of "Swanee." When he left Tennessee and came west he was accompanied by a number of families. I have no interest or concern in this case or its prosecution.

Said Alexander Brown was the father of the following named children: Thomas Brown, Isen Brown, John Brown, Zach. Brown, Marsh (Brown) Hamblen, who was also called "Sally," Dice (Brown) Fender, Elizabeth (Brown) Ruth, Susan (Brown) Proctor, Annis (Brown) Pace and Violet (Brown) Ruth. Said Dice (Brown) Fender was the mother of Michael A Fender who is the father of Flara M Fender who married Robert Tuck. Said Flara M Tuck is about 38 years of age and resides near Brighton Polk County Missouri. I personally knew above named parties.

time, from and after the time he came to Polk County, Missouri, which
was about the year of 1835 or 1836, until his death, which occurred
about the year 1837 or 1838. Said Alexander Brown located and settled
near what is now known as Brighton, Polk County, Missouri, and lived
there continuously from the time he came to Missouri until his death.
His remains were buried near Brighton, Polk County, Missouri, at what
is now called the Brock Grave Yard. During the time above mentioned,
the said Alexander Brown and I lived in the same settlement as neigh-
bors. We saw each other and were together quite often. We fished
together and had many conversations together and became intimately
acquainted.

The said Alexander Brown told me that he was a Cherokee
Indian--my recollection is that he said he was a half blood Cherokee
and that he came to Missouri from Tennessee. He was recognized and
reputed by all who knew him to be a Cherokee Indian. He told me that
he had his papers showing his Indian rights, and that his name was on
the roll of Cherokee Indians. The said Alexander Brown has always
claimed to be a half blood Cherokee Indian, and all his children claimed
to be part Indian and were recognized and reputed to be such by all who
knew them.

Sir in answer to your
questions relative to my application
no 2324 I will answer
First my father and
mother lived in Jasper Co
Mo. in 1867. until 1867
when the conditions of
the war of the rebellion
caused them to go north
my father Richard Fisher
died in 1864 my father
always talked of our

2

Cherokee Blood and had he lived no doubt he would have attended to this matter of enrollment years ago. it was his mother, not his father who inherited Indian Blood. My Grandfather Abraham Fishers wife my Grandfather Thomas Perry is on my mothers side and claims no Indian Blood. The only reason I can give why my Grandfather Abraham Fisher was not enrolled in 1851 was purely carelessness at that time he had plenty

and it²⁵ was his
wife, who had the
Indian Blood I do not
know. why he did
not attend to it.

My Grand mother died
during the Civil War
some time in 1863 I
believe.

I was Born in 1856,
my father died in 1864 my
mother always called me
a little Cherokee told me
I inherited my high cheek
bones and my disposition
from my Cherokee grand
mother. But she knew
nothing of this enrollment
over

I trust I have answered
the questions satisfactorily

as *Asa Elizabeth and Sarah A Fender* et al for participation in fund appropriated by Congress June 30, 1906, to Eastern and Emigrant Cherokee Indians and their descendants.

On this 27 day of Aug A. D. 1906, personally appeared before me, Orville E. Gorman, a Notary Public in and for the aforesaid County, duly authorized to administer oaths, Michael A Fender, aged 77 years, a resident of Polk County, Missouri, whose post office address is Brighton, Polk County, Missouri, well known to be reputable and entitled to credit, and who, being duly sworn declared in relation to aforesaid case as follows:

I was well acquainted with Alexander Brown in his life time. He was my Grandfather. He came from McMinn County, Tennessee, where he lived when I first knew him. He lived about four or five miles from my father's residence in Tennessee. I can remember his being at my father's house a number of times. His family and my father's family were intimately acquainted and when he left Tennessee and came to Missouri, there were about six families came together including my father's family and Alexander Brown's-. Said families were all related to each other. We left Tennessee in the fall of 1835, came to a place in Illinois fifteen or eighteen miles east of St. Louis, and stopped there over the winter, and in the Spring came on to what is now known as Brighton, Polk County, Missouri, arriving there May 10, 1836. I was with them during the whole journey to Missouri from Tennessee. I have often heard my mother, who is a daughter of said Alexander Brown, and my Uncles and Aunts say that said Alexander Brown was a half blood Cherokee Indian. Also, I have heard them say many times that said Alexander Brown was enrolled as a Cherokee Indian on the roll of 1835. He was a tall man, dark complexion with black hair and eyes. He has always been talked about and known as a half blood Cherokee Indian. He died in 1838. I was at his funeral- the first person I ever saw buried. He was buried at Brock Grave Yard near Brighton, Polk County, Missouri.

Said Alexander Brown had the following named children, viz: Sarah Brown, generally called "Sally", who married Elijah Lamberton, Annis Brown, who married Robert Pace, Dicie Brown, who married Daniel Fender, Violet Brown, who married Eleven Ruth, Susan Brown, who married Moses Proctor, Elizabeth Brown, who married Hugh Ruth, Thomas Brown, Isom Brown, Zachariah Brown and John Brown.

I am interested in the prosecution of this case as I am one of the claimants. Said Dicie (Brown) Fender was the mother of Asa H Fender who was the father of Elizabeth Fender and Sarah A Fender who now reside near Brighton Polk County Missouri. Said Elizabeth Fender's age is about 47 years and the age of said Sarah A Fender is about 30 years. I personally knew all of above parties.

In the matter of the claim of
vs. *Asa Elizabeth and Sarah Fender* et al for
participation in land appropriated by
Congress June 30, 1806, for Eastern
and Emigrant Cherokee Indians and their
descendants.

On this *31st* day of *July* A. D. 1906, personally appeared before me, Orville E. German, a Notary Public in and for aforesaid County, duly authorized to administer oaths, James Harralson, aged 80 years, a resident of Webb City, Jasper County, Missouri, well known to be reputable and entitled to credit, and who, being duly sworn on his oath, declared and saith in relation to said case as follows:

I was well acquainted with Alexander Brown in his life time. He came from McMinn or Monroe County, Tennessee, and located and settled near what is now known as Brighton Polk County, Missouri on or about the year of 1856 or 1857. He came to said Polk County two or three years before his death. The said Alexander Brown when I first knew him lived in Tennessee. I have heard that he came to Tennessee from Georgia. He lived about a mile from where my father lived in Tennessee. I knew said Alexander Brown from the time I was old enough to remember any one until his death. He visited my father and my father visited him quite often. His family and my father's family visited back and forth quite often. His children and my father's children played together often and the two families were intimately acquainted with each other. I have a very clear and distinct recollection of hearing the said Alexander Brown say that he was registered or that his name was on the roll of Cherokee Indians prior to his leaving Tennessee. I saw him and was intimately acquainted with him both in Missouri and Tennessee. Said Alexander Brown was a tall broad shouldered man, rather slim, high cheek bones, dark complexion with black hair and eyes. He ^{and} said His children were generally known and recognized and reputed to be part Cherokee Indian. They had the appearance of being part Indian. I have heard Alexander Brown and also his children say that he was a half blood Cherokee Indian and they always claimed to be of Indian blood.

Said Alexander Brown's remains were buried at the Brock Grave Yard near Brighton in Polk County, Missouri. It was the general talk among the neighbors and children of said Alexander Brown that he was a half blood Cherokee Indian and that his name was on the roll of Cherokee Indians. I recollect that he was called by the Indian nick name of "Swanee". When he left Tennessee and came West he was accompanied by a number of families.

I have no interest in said case and am not concerned in its prosecution.

Said Alexander Brown was the father on the following named children: Thomas Brown, Dicie (Brown) Fender, Isom Brown, Zach Brown, Sarah (Brown) Hamblen, who was also called "Sally" Elizabeth (Brown) Ruth, Susan (Brown) Proctor, Annis (Brown) Pace and Violet (Brown) Ruth.

Said Dicie (Brown) Fender was the mother of Asa H Fender who was the father of Elizabeth Fender aged about 48 years and Sarah a Fender aged about 50 years. Said Elizabeth Fender and Sarah a Fender now reside near Brighton Polk County Missouri. I personally knew also parties ^{her} James Harralson

Susan A. Lake being first duly sworn in behalf of Martin V. York, deposes and says:

That I am 74 years of age and live in Webb City, Mo. I have filed application myself (40992). I am the aunt of Martin V. York. His father was my full brother. His mother was a white woman. His wife is a white woman. His grandmother, Elizabeth York nee Kitchens, claimed the Indian. I think that my great grandparent were full bloods. My mother never talked much to me about our Indian ancestry and as far as we know, my mother claimed to be 1/4 Cherokee. My mother was born and raised in Kentucky. My mother was about 75 when she died and she died in 1867. My mother lived in Ky. a long time and then she went to Illinois. I was born in Illinois. They had been there a long time when I was born. I was the youngest child of five. My mother nor I never lived with the Indians. Don't know my grandmother's name. She married a Kitchens but I don't know her first nor her maiden name. Don't know when she died. I think my grandfather Kitchen's name was John. He never had any other name than Kitchens. My mother had one brother and one sister. Charlio Kitchens and Rachel Kitchens. Rachel married John Wyatt. My mother was always called an Indian. She looked just like an Indian. I am recognized as a white woman. I never lived with the Indians myself. My great grandfather lived and died in N. C., even at the time the Indians were driven out. My great grandfather and my grandfather were both dead before I was born. None of us were never on any rolls that I know of. I nor my mother never received anything from the government. This is the only application I ever made for Indian benefits. All of my relatives claim through the same source as I do for their Indian descent. My husband was a white man.

Charles D. Franklin, being first duly sworn and examined, deposes and says:

My name is Charles D. Franklin; I was born in Gilmer Co., Ga. 1868: I claim my Indian blood through my mother; I make no claim through my father; my mother, Susan Franklin, was born in Cherokee Co., N. C. about 1855; my mother got her Indian blood from her mother, Sarah Green before she was married; I never saw my grandmother through whom I claim; I have heard that my grandmother was born in Cherokee Co., N. C.; I do not know when my grandmother was born: I have heard that my grandmother was a full blooded Cherokee: in 1835 my grandmother and mother were living in Cherokee Co., N. C.; in 1851 they were living at the same place: I do not know whether my grandmother and mother were enrolled or not; I have been told that my great grandfather, Gardner Green, was enrolled on the 35 roll: I do not know where he was living at that time: none of the ancestors through whom I claim were ever held in bondage: none of the ancestors through whom I claim ever went West with the Indians and none ever had an Indian name that I know of: I claim to be a quarter Cherokee.

JOHN L. SPRINGSTON,
VIAN, I. T.

Hon. Guion Miller,

Special Commissioner,

Sir:---

This day and only a few minutes ago, one Franklin Gritts, of Gritts, I. T. and an applicant for emigrant money, who applied Jan, ~~5th~~^{7th}, 1907, and for himself as well as on other persons whose shares he heired, wished to know what had become of his case, as he had not received any notice thereof, and as yet no request for supplemental claim-- giving him his #.

His name appears on the roll of Flint District, Cherokee Nation as made in 1851, 2, and in the family #.102. of Wesley Gritts, Susanah, Mary, Wm. Eliza Horn, & Franklin. the last named being that of his own name--the applicant--

His application was mailed by registered mail, Jan 9th, 1907; its receipt acknowledged as of Jan, 12th, 1907.

Mr. Gritts does not wish to lose his case, like he has been made to lose the shares he had applied for, or hundreds of dollars and get only tens as it were--and too, to now divide up with the Negro, the Delaware, the Shawnee, and in all probability the old settlers, as the decree says this money was and is the proceeds of sale of the lands belonging to the Cherokee Nation--that wording will allow them to participate in the proceeds of the sale of all of these lands are now proposed to be sold to the Government.

Mr. Gritts says that under the now program the estates that he heired are now to be disposed of to others having no right title or interest whatever therein--and without his knowledge or consent--

Please advise me of fact of his case pending if so, and relieve of the chance of being charged with neglect---
